When should I book?

We take advanced bookings up to 12-18 months in advance. This is worth bearing in mind as we do limit the number of weddings on site in a year.

Booking sooner rather than later is advisable, in particular if your wedding dates are specific and cannot be changed. If your wedding is soon (in the next 3-6 months), please contact us to see if we have late availability or have had a cancellation.

We may be able to offer a last minute discount if you are booking one-month before your wedding date, if the date is available.

We are unable to book dates more than 24 months in advance.

Booking your Wedding with us

We are so excited to start this journey with you.

A non-refundable £ 1,000 deposit and your signed Booking form is required in order to secure your date.

We reserve the right to release any dates at anytime if a deposit is not paid.

The remaining balance is then due 12 weeks prior to your wedding date and is non-refundable and non-transferable.

Cancellations made more than 12 weeks prior to the date will not be charged the remaining balance and are not entitled to any refunds or transfers.

Cancellations made within 12 weeks of the wedding date will be charged the full amount.
